

ICT support for people with dyslexia

How people with dyslexia can use technology, including Windows laptops, Chromebooks, iPads / iPhones, smart phones and tablets to make it easier for them to engage with text, in particular around reading and writing.

With Allan Wilson of CALL Scotland and Alan Stewart of Highland Council Assistive Technology Support Service.

Monday 25 February, 7pm – 9pm

Kinmylies Primary School, Assynt Road, Inverness IV3 8PB

Everyone very welcome to this free event. No need to book.
